Creating a Value-Based Healthcare Marketplace What Employers Can Do

May 9, 2019

Hilton Denver Inverness Hotel, Englewood, CO

Sponsor & Exhibitor Opportunities

Partner with us!

On May 9th the Colorado Business Group on Health will bring together employers and financial staff in a multi-dimensional Forum to provide specific solutions for improving healthcare value.

Healthcare spending – and oftentimes outcomes threatens our workers, families, companies, communities and our economy. It is the inevitable outcome of how the US healthcare market has functioned for decades. High prices and variant outcomes – all opaque and largely unknown – are simply products of how healthcare has been bought and sold. Transforming these outcomes so as to optimize outcomes for employees and affordability for both employee and employer will require transforming:

- How we purchase and contract for health services.
- How we provide health benefits for enrollees.

By sponsoring and exhibiting at this Forum, you reach an elite gathering of proponents of value-based purchasing, healthcare transparency and payment reform and support Colorado purchasers and their employees in our mission to collaboratively improve the healthcare value proposition for all Coloradans.

Target Audience:

Employers are encouraged to invite several colleagues from inside and outside their organization including:

- CFOs
- Purchasing officers & managers
- VP/Directors of human resources
- Benefits managers
- Health plan consultants
- Third party administrators
- Health plans
- State, county & city health policy experts
- Pharmaceutical company policy experts

BE BOLD – SPONSOR!

Forum sponsorship is an utmost opportunity to promote your company/organization's commitment to providing and contributing to health benefits in a manner that optimizes the outcome for the employee and affordability for both employee and employer.

Benefits of sponsorship include:

1. Promoting your company/organization as an investor in health benefits.
2. Supporting the healthcare of all Coloradans.
3. Showcasing your products and services to Forum attendees.
4. Driving traffic to your company/organization through the Forum app, website, print, electronic communications and social media.
5. Connecting directly with Forum attendees through exhibiting and networking.
